

Camelford Leisure Centre is a multipurpose fitness and leisure facility. Being an independent, community run resource, it is located at the heart of the community and services the farthest reaches of Camelot country and beyond.

As all our corporate supporters have differing needs and requirements we have a flexible approach to the cost but, as a guide, this is our basis for discussion.

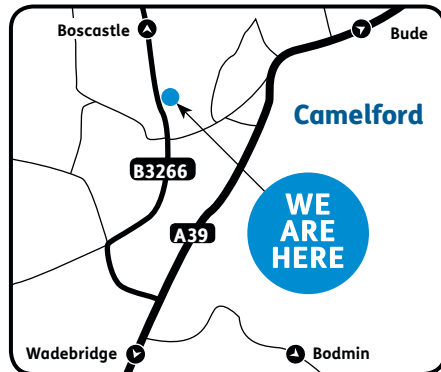

- Accommodation with 30+ bedrooms £200 per month
- Accommodation with 10+ Bedrooms £150 per month
- Accommodation with 4 to 9 bedrooms £100 per month
- Accommodation with up to 3 bedrooms £50 per month

This would also provide one family membership to the owners.

Hello & Welcome

For fitness or for leisure, it's what you make of it!

Our space is the only one of its kind in the local area!

From Aquafit to Kayaking we've got something for everyone!

We are Camelford Leisure Centre, and with thanks to the local community we're still here to serve you, and things are only getting better.

Why should you join in?

You might think this is only a sports centre, but we want it to be so much more than just that. Sport is not all about fitness, we want to become a place where people can **come together to be social** or individuals come to escape. It is a place to **discover new things** and where you can develop new or hone old skills or even settle old scores.

What facilities do we have?

We boast the largest public facility in the area, which is versatile enough to host a multitude of activities for both individuals and private hire. So, whether you're looking for a venue closer to home, a parent looking to host a party, an instructor or team looking for a new space; with an **indoor pool, giant sports hall, fitness suite** and **outdoor hard courts**, we can make it happen.

What activities do we offer?

We offer a **flexible roster** of activities. As well as regular pursuits such as **swimming**, we have partners who offer clubs and classes that deliver the likes of **Aquafit** and **Kayaking**. Even if there is an activity that we don't currently host, just let us know and with enough interest we can make it happen.

Your guests can enjoy free access to our facilities!

We're open dawn 'til dusk, 7 days a week!

All you need is the motivation and we'll take care of the rest!

Your enjoyment and safety is our utmost priority!

And we include membership for you and your family!

We know that everyone will have **different interests** and want to use the centre for different things in varying ways. With corporate membership you can **offer your guests all the benefits** of their own membership whilst staying with you and they will only have to show us **proof of their residence with you**.

When are we open?

With so many people to serve and so much to offer, we try to keep our doors open for as long as possible. With an **ever changing timetable** of activities and events being hosted all year round, we advise that you **get in touch** for further details of what's on and when, to **avoid disappointment!**

What do you need to do to join in?

We try our very best to cater for the needs of all our guests. From the standard basics such as **secure lockers, showers, wet and dry changing facilities** and **refreshments**, we also provide various items of **specialist equipment**, available for either hire or purchase.

Who will there be to welcome me?

Our team of **experienced, qualified and friendly staff** is here to make your experience as enjoyable and safe as possible. So if there is anything you need to know or any assistance you require, then we'll do everything we can to help.
